## Urgent notice to all Parents and Carers

### Dear Parents/Carers

In the first few days of term there have already been a number of serious incidents with several parents potentially risking the health and safety of your children by driving at speed up the side road and into the car parks.

May I remind all parents/carers that **the use of the side road or car parks is not allowed for dropping off or collecting children.** Only if a parent/carer is visiting school for an appointment or a school event may the side road and lower car park be used. **This will be enforced from tomorrow with the details of car drivers who refuse to respond to this polite request forwarded to the police.**

Children must be dropped off or collected on Pleckgate Road well away from the pedestrian crossing and walk to school.

I would be most grateful for your support in this matter as the health and safety of your children is paramount.

Yours sincerely
