Headteacher: Robin Campbell BSc NPQH

25th November, 2009

Dear Parent / Carer

Once again I am writing to you regarding the use of the visitors' and staff car parks to drop off and pick up children before and after school.

Despite a number of polite requests the safety of our children is being **seriously compromised** by a number of inconsiderate drivers.

Building work has now commenced at the front of school in preparation for the main developments starting after Christmas. This means that children and staff are having to pass through the car park as the footpath is temporarily closed off.

I am not prepared to continue to see the Health & Safety of your children endangered by a few people. As a result the number plates of those using these car parks without permission will be forwarded to the Police who have informed us that they will take action.

I regret the need to send out letters of this nature but the safety of children comes first. I would appreciate the support of all parents in this matter.

Yours sincerely

R CAMPBELL
